

Sara R. Machado, PhD

Senior Research Scientist, Department of Health Services, Policy & Practice
Center for Health System Sustainability (CHeSS) - Brown University School of Public Health
saramachado.org · sara_machado@brown.edu · [ORCID 0000-0002-9287-8165](https://orcid.org/0000-0002-9287-8165) · [Google Scholar](#)

Current Appointment

Brown University School of Public Health - Providence, RI, USA

Department of Health Services, Policy & Practice
CHeSS - Center for Health System Sustainability

Senior Research Scientist	July 2026 – present
Research Scientist	Jan 2025 – June 2026
Senior Research Associate	Apr 2023 – Dec 2024
Adjunct Instructor of Health Services, Policy & Practice	Apr 2025 – present

Previous Appointments

London School of Economics and Political Science - London, UK

Research Officer, LSE Health	2019 – 2022
LSE Fellow, Department of Health Policy	2016 – 2019

Imperial College London - London, UK

Postdoctoral Research Associate, Faculty of Medicine – School of Public Health	Aug – Sep 2016
--	----------------

Visiting & Affiliated Appointments

London School of Economics and Political Science - London, UK

Visiting Fellow, Department of Health Policy	2023 – 2025
--	-------------

Brigham and Women's Hospital - Boston, MA, USA

Harvey Chair Scholar	2018 – 2022
----------------------	-------------

Education

Boston University - Boston, MA, USA

PhD, Economics	2010 – 2016
----------------	-------------

Dissertation: Essays on the Economics of Blood Donation. Advisor: Daniele Paserman.

Committee: Albert Ma, Johannes Schmieder.

Nova School of Business and Economics - Lisbon, Portugal

Research MS, Economics	2009
MS, Economics	2007
BS, Economics	2007

Fields and Research Interests

Primary field: Health Economics.

Secondary fields: Health Policy; Health Services Research.

Research interests: Health and wealth; cardiovascular health economics; health system design and performance assessment; socioeconomic determinants of health; organ donation and transplantation.

Research Impact

Citation metrics (Google Scholar, as of April 2026): 1,186 total citations; h-index 12; i10-index 14. Since 2021: 555 citations; h-index 12; i10-index 12.

Publication profile (peer-reviewed, October 2026): 25 peer-reviewed articles (24 published, 1 accepted and in press), plus 2 books/reports. 12 first- or co-first-authored, of which 9 are first author and 3 are formally designated co-first; 5 last- or senior-authored, of which 3 are currently in preparation. Journal venues include *NEJM* ×3, *Nature Aging*, *JAMA Cardiology*, *JAMA Network Open*, *Circulation: Heart Failure*, *JACC: Heart Failure* ×2, *Health Affairs Scholar*, *Health Economics*, *Health Services Research*, *BMJ Global Health*, *Bulletin of the WHO*, *Rationality and*

Society, Frontiers in Transplantation, International Journal of Health Economics and Management, Health Care Management Science, PLoS Neglected Tropical Diseases, Annals of Pharmacotherapy, and Diabetes Care.

Featured impact: Machado et al., *Association between Wealth and Mortality in the United States and Europe* (NEJM 2025). The paper has an Altmetric Attention Score of 2034, placing it in the top 5% of all research outputs tracked by Altmetric, the 99th percentile among outputs of similar age, and the 98th percentile among same-age NEJM outputs (ranked #4 of 215). As of April 2026, it was picked up by 180 news outlets, 363 X users, 619 Bluesky users, 32 Reddit posts, 11 blogs, and 3 podcasts, with coverage including The Wall Street Journal, The Economist, NBC, Fortune, The Hill, El País, La Vanguardia, De Standaard, Der Standard, Il Fatto Quotidiano, The Conversation, and Público.

Grants and Funded Research

Funded	
CARDIO-DAY – Cardiology Ambulatory Day Care Hospital: Clinical, Economic and Health System Impact in Tertiary Prevention of Cardiovascular Disease. Principal Investigator (Brown site). Comprehensive evaluation of the clinical, economic and system-level impact of a Cardiology Ambulatory Day Hospital model serving the full cardiology patient population, to improve outcomes and optimize health care resource use. Funder: La Caixa Banking Foundation, HealthCare Research 2026 Call. Total award: €147,333. Consortium: Ricardo Fontes-Carvalho (Faculdade de Medicina da Universidade do Porto, Project Lead); Pedro Teixeira (ULS Gaia/Espinho, Partner).	Dec 2026 – Aug 2028
Submitted	
R03 REACH – Retirement, Early withdrawals, And Cardiovascular Health. Principal Investigator. Causal effect of mid-life cardiovascular events on early retirement-account withdrawals and long-term financial security, using HRS 1992–2022; difference-in-differences design leveraging state Medicaid-expansion heterogeneity. Funder: NIH/NIA. Submitted 11 February 2026; scored at the 30th percentile.	Feb 2026
Adviser / Co-Investigator	
Ministerio de Ciencia, Innovación y Universidades (MCIU), PID2022-138866OB-I00 - "Mobility and Transport Policies: Effects on Climate Change, Sustainability and Health." Adviser. Pls: Germà Bel and Laia Maynou (Universitat de Barcelona).	Sep 2023 – Aug 2026
Internal / Seed	
Seed Grant, Industry Studies Program - Boston University. Principal Investigator.	2012
Pre-Doctoral Research Funding	
Graduate Studies Scholarship - Fundação para a Ciência e a Tecnologia (FCT, the Portuguese national science foundation). Competitive doctoral fellowship.	2007–09, 2011–12
Research Scholarship - Fundação para a Ciência e a Tecnologia (FCT). Pre-doctoral research fellowship.	2006–07

Honors and Awards

Best Presentation on Ageing Award, Portuguese Health Economics Association (APES)	2023
Excellence in Education Award, London School of Economics and Political Science	2016–2017
Best Oral Presentation Award, Portuguese Health Economics Association (APES)	2009, 2015
Best Oral Presentation Award, Spanish Health Economics Association (AES)	2015
Young Researcher Traveling Award, Portuguese Health Economics Association (APES)	2011, 2013, 2015

Policy Impact and Public Engagement

Machado et al. (NEJM 2025) - Wealth and Mortality in the US and Europe. Coverage in major international print and online outlets: The Wall Street Journal; The Economist; NBC; Fortune; The Conversation; The Hill; Público (Portugal); Brown Daily Herald; Il Fatto Quotidiano (Italy); Der Standard (Austria); La Vanguardia, El País (Spain); De Standaard (Belgium). Podcasts: MGFamiliar (Portugal); A Moment in Health.

Machado et al. (JAMA Cardiology 2021) - Midlife Wealth Mobility and Cardiovascular Health. Coverage: Yahoo News; tctMD; Eat This, Not That; FAZ; The Straits Times.

Machado et al. (NEJM 2019) - Organ Donation and Drug-Intoxication Deaths. Coverage: Drugs.com; MedicalXpress; Medscape; Medscape Podcast; US News.

DeFilippis et al. (JACC:HF 2018) - Financing of Adult Heart Transplantation. Coverage: Cardiovascular Business.

Policy translation. Bulletin of the WHO (2024) applied a Health System Performance Assessment framework to the 2024 Portuguese parties' health manifestos; cited in national policy commentary and used to inform the general election political debate organized by the Portuguese Health Economics Association. Co-authored reports on Portugal's health system (Health Systems in Transition, 2011) and on the elimination of hepatitis C in Portugal (2017) have served as reference documents for Portuguese health policy.

Invited Seminars and Guest Talks (last 5 years, incl. scheduled)

EDGE - AESE / IESE Global Executive Program - New York, NY, USA <i>Longevity and the economy</i>	2026
CRES, Universitat Pompeu Fabra - Barcelona, Spain	2026
PADIS 50th edition conference - Madeira, Portugal (keynote speaker) <i>Da visão à ação: o presente e o futuro do sistema de saúde da Região Autónoma da Madeira</i>	2026
Long-Term Care Seminar Series, Gateway to Global Aging (USC) and CAPRA (UMichigan) [online]	2026
Value-based Healthcare Management Course, UMinhoExec [online] <i>Innovation, costs, and value-based purchasing</i>	2026
Department of Cardiology, ULS Gaia/Espinho - VN Gaia, Portugal	2025
Encontro Nacional de Unidades de Saúde Familiar - Santarém, Portugal	2025
Dirección de Sistema de Salud, Barna Business School - Lisbon (International Week) <i>Challenges in access to care in the Dominican Republic</i>	2025
Portuguese School of Public Health [online]	2025
Integrate Work - Washington DC (keynote speaker)	2025
American Society of Transplantation - Journal Club keynote speaker [online]	2024
University of Barcelona - Economics Seminar	2024
Boston University HLP Advanced Quantitative Seminar - Boston, MA [online]	2022
Stanford University - Economics of Transplantation Seminar, Palo Alto, CA [online]	2021
Centre for Health Economics Seminar, York - UK [online]	2021
Forum SPC (Portuguese Society of Cardiology) - closing speaker [online] <i>Creating value in an evolving health care system</i>	2021

Previous Talks: Geary Institute of Public Policy, University College Dublin (2020); National Students for Global Health Conference: Health Access for All, Plenary Speaker (London, 2020); LSE Marshall Institute, Beveridge 2.0 Symposium - "Altruism in Health and Other Domains" (London, 2020); LSE event "A Commitment to Welfare: the impact of Richard Titmuss on health and social policy" (2020); Erasmus School of Economics (Rotterdam, 2016); Imperial College School of Public Health (London, 2015); HCP Harvard Medical School (Boston, 2013, 2015); LSHTM Health Economics Seminar (London, 2015, 2019); LSE Behavioural Economics Seminar (2015); Imperial College Business School (2012); LSESU United Nations Society (2019).

Conference Presentations (last 5 years, incl. scheduled)

ASHEcon - American Society of Health Economists	2021, 2026
APES - Portuguese Health Economics Association	2023, 2025
American Heart Association (AHA21) [online]	2021
American College of Cardiology (ACC21)	2021
Southern Economic Association	2021

Previous Conferences

Southern Economic Association (2019); UK Health Economics Study Group (2015×2); Jornadas AES (2015); Harvard Behavioral Insights Group (BIG Ideas) Workshop (2015); APES (2019, 2017, 2016, 2015, 2013, 2011, 2009, 2008, 2007, 2006); ASHEcon (2019, 2016, 2015, 2012); ECHE/EuHEA (2017, 2016, 2012, 2008); EuHEA Student-Supervisor and Early Career Researcher Conference (2016, 2017); iHEA (2017, 2015, 2011, 2007).

Teaching Experience

Instructor

Brown University - Comparative Health Care Systems (GPHP 2410, Online MPH)	Summer 2025 – present
Boston University - Health Economics (EC387, BA)	Spring 2014
Boston University - Economic Statistics (EC305, BA)	Spring 2014
Boston University - Empirical Economics (EC305, BA)	Fall 2015

Teaching Fellow (lectures and seminars)

LSE Department of Health Policy - Health Economics (SA408, HP420 MSc; SA4G2, HP4A4E Executive MSc)	2016–2022
LSE - Measuring Health Systems Performance (SA4E2, HP4B4E Executive MSc)	2016–2022
LSE - Cost Effectiveness in Health Care (HP4E4E Executive MSc)	2019–2020
LSE - Behavioural Science for Health (PB452E Executive MSc)	2018–2019
LSE - Advanced Health Econometrics (SA4L5 MSc)	2016–2017
LSE - Economics of Health and Wellbeing (SA4N7 Executive MSc)	2016–2017

Teaching Assistant

Boston University - Health Economics (EC581 MSc)	Spring 2015
Boston University - Health Economics (EC387 BA)	Fall 2013–2015
Boston University - Public Finance (EC355 BA)	Spring 2014–2015
Boston University - Economic Development of Latin America (EC369 BA)	Fall 2014
Imperial College Business School - Health Economics (MSc)	Fall 2016

Guest Lectures - Health Economics and Health Systems

Brown University - Department of Health Services, Policy, and Practice, Providence, RI, USA	2025 – present
Boston University - Department of Economics, Boston, MA, USA	2023 – present

PADIS - Programa de Alta Direção de Instituições de Saúde, AESE Business School, Lisbon, Portugal	2018 – present
ESSCVP - School of Health Sciences of the Portuguese Red Cross, Lisbon, Portugal	2024

Mentoring and Supervision

Doctoral

Bruno Venâncio - PhD in Economics, Faculdade de Economia da Universidade do Porto (FEP), September 2026.
Dissertation title: *Essays in Health Economics with Applications to Primary Care*.

Master's Dissertations

LSE, Department of Health Policy - Executive MSc dissertation supervision in Health Economics, with some pre-experience MSc, during the LSE Fellow years. LSE Executive MSc dissertations are capstones for mid-career health system leaders and clinicians. Supervision load averaged roughly 30 dissertations per academic year (peak 39) across 3 academic years, totaling approximately 90 dissertations. 2016 – 2019

Research Assistants / Master's Advisees (Brown)

Advised Brown MPH/MS research assistants and master's advisees on projects on the relationship between health and wealth, cardiovascular health economics and health services research, and cross-national health-system comparison.

Professional Activities

Referee Experience

New England Journal of Medicine; JAMA Internal Medicine; JAMA Network Open; PNAS; Health Economics; Social Science and Medicine; JACC (Journal of the American College of Cardiology); Journal of Heart and Lung Transplantation; Medical Care; Behavioural Public Policy; Health Care Management Science; Health Policy; International Journal of Health Care Finance and Economics; German Economic Review; European Journal of Public Health; Inquiry; Annals of Public Health; Archives of Public Health; Work, Aging and Retirement; Value in Health; Journal of Population Ageing.

Committees

Board Member, Portuguese Health Economics Association (APES)	2019–2021; 2023 – present
Scientific Committee Chair, APES Workshop	2023
Organizing Committee, 18th National Conference on Health Economics (APES)	2023
Deputy Chair, EuHEA Early Career Committee	2017–2020
Organizing Committee, EuHEA PhD Student-Supervisor Conference	2019
Management Board Member, BEHnet - Behavioural Experiments in Health Network	2015–2019

Other Affiliations

European Health Economics Association (EuHEA); Health Economics Study Group (HESG); International Health Economics Association (iHEA); American Society of Health Economists (ASHEcon); American Economic Association (AEA); Heart Failure Society of America (HFSA); Portuguese Health Economics Association (APES).
